DRUG COURT MEDALLIONS

800-860-9355

www.wendellsinc.com

Wendell's Inc. introduced the first raised center anniversary medallion to the recovery market place in 1973 and since then has remained one of largest manufacturers offering "MADE IN THE USA" medallions. Medallions are an integral part of the 12 Step Programs symbolizing the effort and sacrifices the recovering person endures walking the path to recovery.

Drug Courts now have the opportunity to order their own custom medallion to be given when a milestone is reached or to provide inspiration and strength in difficult times. Medallions can be awarded in open court for completing a phase of the treatment program or incremental successes providing a sense of accomplishment and purpose.

Call today to get started on designing your own custom medallion and keep the tradition of rewarding, encouraging and inspiring alive.

Die Charges:
There is a one-time Die Charge for Drug Courts coins: **\$95.00**

~~Plain lettered 125.00~~
